## A GOOD WAY TO RESPOND

Good morning! It's been raining the last couple of days. The trees had just finally transitioned to beautiful colors and now the leaves are being stripped from the trees. Beautiful but short lived. Hope you have had a chance to enjoy the beauty of fall in the midst of your move.

Noted you had a few sites blocked yesterday. I recognize this could be nothing caused by intent of action. Also recognize it could be more. Want to talk about it? Other than an appointment in the late afternoon I can free up the rest of my night for your availability.

Love you!

Dad
